Objective and Utility of the Department

In Uttar Pradesh, the Department of Legal Metrology has been established under the ministry of Consumer Protection and Weights & Measures. This is to ensure accuracy of weighing & measuring instruments, which are used in commercial transactions & protection, in accordance with standards established by the Central Government as per provisions of the Legal Metrology Act, 2009, by verifying and stamping them at prescribed periods. In addition to this, another important feature is the department is to regulate and control the trade in pre-packaged commodities by ensuring that such packages conform to the declarations, as well as net quantity contained therein, as prescribed under the law.

Organisation of the Department

In Uttar Pradesh, the Department of Legal Metrology has been established under the ministry of 'Consumer Protection and Weights & Measures'. The Officer of Indian Administrative Services (IAS) cadre is presently heading the department. Under the present scheme of affairs, the entire State is divided into three zones (respectively Lucknow, Meerut & Faizabad) and each zone is put under the zonal office of Deputy Controller rank. There are 18 divisions in State, each division headed by the divisional officer of Assistant Controller rank. In all, there are 151 Working Standard Laboratories/Offices in the State, and each such Working Standard Laboratory/Office is headed by the officer of Senior Inspector rank.
